Sat Feb 8 as I signed the  
next book and took out  
the summons for Gray filed  
on Feb 17, I was not the  
last but supposed and  
had know ~~the~~ another  
my heart for the last month  
that I would be called  
and he assigned ~~me~~ to  
Judge Brown court. I knew  
that eventually I would be  
selected to go on the  
jury for the trial of Jack  
Ruby.  
The week passed with  
a hollow feeling from  
within as I went anticipating  
the events that were to happen  
within the next two or three  
weeks. I knew that I had a  
duty to perform. ~~It was~~ I  
thought it was my duty  
what I could be disappointed.
